

Karen Pearse & Innovative Stone
are Proud Partners with
Monadnock Construction

Congratulations

Dimensional Limestone Walls & Marble Floors

Limestone Exterior Facade

Innovative Stone™ has Completed over 22,000 Commercial Projects Worldwide

For 30 years, Innovative Stone is the solution for providing natural stone for highly customized projects. Working closely with Architects, Designers, Contractors, and Developers, our expertise in Furnish, Fabrication and Installation fulfills their needs in design and execution. Innovative's trusted performance, even with the most sensitive of jobs, translates into repeat business. Through the years, we've developed these relationships while building a diverse business that includes clients from the nation's top retailers, restaurants, hotels, commercial developers, and construction management companies.
