

INNOVATIVE  
STONE™

## Innovative Stone – Aurillac Series

Imagine the texture and look of an upholstered fabric panel, but only once you touch it, will you know the secret of this innovative porcelain tile design. The tufted look of Innovative Stone's Aurillac Series can provide you with the ambiance you need without the required maintenance typically needed for textile materials. Another of Innovative's endless design possibilities. Call 800.62.STONE or email us [info@innovativestone.com](mailto:info@innovativestone.com) or visit [www.innovativestone.com](http://www.innovativestone.com)
