

## Urban Chic

Restaurant-grade touches—the cooktop, worktable, and cabinet hardware—lend a hip edge to simple cherry cabinets and a granite countertop. The look is hardworking but warm, space-efficient but well-equipped.

In a loft or condominium, **maximize your space** with a smart layout and appliances that **match your needs**.

#### PRO-STYLE PERFORMANCE

This cooktop offers 15,000 Btu/hr—and a simmer-and-hold 375 Btu/hr. You can add a backguard (shown), a grill, and a griddle. PCG366E, \$3,149; Thermador; 800/656-9226; [thermador.com](http://thermador.com)

#### SECRET SPRAY

A new slant on faucet design, this pullout spray model blends easy access and interesting angles. The finish is chrome. Minta 32 319 000, \$549; Grohe America; 800/201-3407; [groheamerica.com](http://groheamerica.com)

#### EASY-CARE GRANITE

Treated natural stone countertops in more than 45 colors never need sealing. Everlife, \$63–\$100 per square foot, installed; Everlife; 800/627-8663; [everlifestone.com](http://everlifestone.com)

#### INSTEAD OF AN ISLAND

Standing a practical 36 inches tall, the Metro Center combines a stainless-steel frame and 1¼-inch-thick hard maple top. MET-CNTR4824, \$899; John Boos & Co.; 888/431-2667; [johnboos.com](http://johnboos.com)
